Wherever we go, people know Saghir and ask for her help. I know how hard she works and she puts all her efforts into helping others.

**Mr & Mrs Davison**

Saghir shouldn't have lost last time. She's done a lot for us over the years. It'll be brilliant if she's our councillor again.

**Mr Hanif**

Saghir is an excellent, hard-worker for this area. I fully support her, she was a great councillor and I am sure she will be again.

**Mr Hall & Mrs Pierce**

I do hope Saghir gets back in. She deserves it, because she has achieved so much for us. I want her back in. (Mrs Pierce)

**Mr Ahmed**

She is the only genuine person you see working here. The other parties only come out at elections. They're not worth a vote.

**Mrs Paterson**

Saghir does lots of work and gets everything done around here. We want her to win and we need her back. She should be our councillor.

**Tony Marshall**
