Great News on A453

“Great news for Nottingham!” says local Lib Dem campaigner Dave Oldham. “At last, after years of being put off by Labour and Tory governments, the A453 will be widened”.

Now, with the Liberal Democrats in government, the work is finally about to be carried out.

The Government has announced it will spend £160m to widen the A453. The work is planned to start by 2015. This

is one of the main routes into Nottingham, and motorists often have to deal with traffic

jams and slow moving traffic.

Dave went on to say “This is a major boost to the local economy. The project will bring £500m of business into the region,

boosting Nottingham and helping to create jobs here”.

New Liberal Democrat Focus Team

Dave Oldham and Tony Sutton are still around and working hard for Wollaton East and Lenton Abbey. If you need them,

please get in touch. Their phone numbers are on the back. Dave and Tony would also like to introduce some of the team

supporting them: Bill Smith, who used to be a councillor for this area; Barbara Pearce, who was a parliamentary candidate and has moved to Nottingham; Lisa French, a student at The University of Nottingham; Alisdair McGregor, an NHS IT specialist; and Michael Thomas, a 25 year NHS employee and our local party secretary.

If you see any of the team around, say hello, they are always pleased to meet local residents.

Empty house on Orston Drive

The local Focus Team have reported an empty bungalow on Orston Drive to the Empty Homes Officer at the Council. They asked them to find out from the owner what they plan to do with it.
